NOTES, SUBSTITUTIONS & WAIVERS

Notes:

This program is for individuals who wish to obtain an English as a Second Language (ESL) Minor. The program is designed to prepare regular classroom teachers to effectively meet the needs of students for whom English is not a primary language. The on-line and on-site series of courses and field experiences are designed to prepare students to pass the required Praxis test for ESL (English as a Second Language) or ENL (English as a New Language) necessary for Idaho State ESL certification.

When combined with an approved teacher education program this minor qualifies for a State of Idaho "English as a Second Language (ESL) K-12" endorsement. Students must also pass the Praxis II exam #0360-English to Speakers of Other Languages for the endorsement.
